

Good evening families,

As you are aware, on Monday and Tuesday they are calling for very hot weather. The forecast shares that the daytime temperatures will be 29-33 on Monday and 33-36 degrees Celsius on Tuesday but will “feel like” 39-40 degrees Celsius.

When preparing your children for school tomorrow and Tuesday please be sure they bring a water bottle, wear light breathable clothing, a hat and wear sunscreen. Parents are encouraged to apply sunscreen before sending your child to school. We will be sure to have regular water breaks throughout the day so that students and staff stay hydrated. We are fortunate enough to have several shaded outdoor areas for outdoor classroom use and for recess breaks.

A reminder to families to please, continue to do the daily COVID19 checklist before sending your child to school. For quick updates please follow us on twitter [@HillsidePark1](https://twitter.com/HillsidePark1)

Also a gentle reminder if you haven't already done so, please send your Chromebook back to school.

Thank you in advance helping us keep everyone hydrated and healthy!

Mrs. Joy
